It always surprises us when we find
That a teacher, too, has a wandering mind,
That just as we look to the end of the day
The teacher's mind wanders in the very same way.

The teacher who seems firmly anchored to facts
Might be hoping for evening and time to relax,
Could be thinking of sitting in a large easy chair
And of home and the comforts that always are there.

Our high school years go swiftly by,
The years of work and play and fun;
We watch them end, and with a sigh
We know our work has just begun.

Marriage, career, and college too —
Our goals will differ so,
But whatever it is in life we do
We shall succeed, we know!

HISTORY OF OUR CLASS

Starting out last September, we, the class of '55, elected our officers and became organized for the year.

In the back of our minds were the highlights of our sophomore and junior years. As tenth graders we had been busy getting used to high school ways, listening for every hint that the upper classmen would drop. That was the year the St. Joe Bears brought home the State Champs' trophy and made us — oh! so proud.

Eleventh grade found us well-established and eager to make an outstanding class showing. When we turned magazine salesmen and rang the community's doorbells, we broke all school records for sales. We used part of the money earned for the Junior-Senior Prom, "Stairway to the Stars". That's something we'll never forget.

Our Senior year has offered more opportunity for class activities—selling magazines, presenting our second class play, working on the Mazenblue, exchanging senior pictures, and ordering announcements. Ahead of us are the Senior Class Picnic, Baccalaureate, and finally Graduation — all of which make '55 truly a year to remember.

Snaps

Size 29, eh?

Oh, go to bed!

Van won't have trouble
fighting off the wolves.

Hinman lit up for once.

Watch out, Monroe, here come the seniors.

Remember our boy Don?

And they think they're cute

The day in school seems often long;
The hours of play speed by,
And though it seems we're often wrong
We never cease to try.

We play to win in life's sweet game
And try to show our best.
To help each other is our aim;
We hope to pass "our" test.

At the end of Coach Higgs' first year as football coach in St. Joseph the team showed fine promise for next year's season.

During the 1954 games, the boys showed fine fighting spirit, and as the season progressed there was considerable improvement in play.

The defeat of Holland was the high point of the season.

The Varsity Basketball Team made St. Joseph very happy when it won the Big Four Conference Title for 1954-55. The Bears also left us with a record of which we are all proud. Out of sixteen starts, they finished fourteen victoriously. The basketball season came to an end when St. Joseph was defeated by Buchanan in the District tournaments.

Director, Mr. Howard

This has been a busy and successful year for the senior High School Band. During the first months of the school year the band devoted its time to football music and marching. After that the annual *7:60 Show* was presented with "A Tribute to Glenn Miller," featuring "Little Brown Jug," and "Tuxedo Junction;" "Trumpet Boogie," another modern arrangement, will not soon be forgotten.

Much of the winter was spent in preparation for contests. In the spring the seventy-four members traveled to Portage where all four judges awarded them superior ratings in the District Music Festival.

Scholarships are given to deserving junior and senior band members each year so that they may continue with their training in summer workshops.
